Citas Gregorio Rosal

The Communist Party of the Philippines and the New People's Army do not see any basis to declare a cease-fire in the coming Christmas and New Year.

Gregorio Rosal

WE WILL FIGHT BACK ONLY WHEN THERE ARE MILITARY OPERATIONS.

Gregorio Rosal

This is in response to the relentless attacks being waged by government forces against the unarmed civilians and abuse of the peace negotiations.

Gregorio Rosal

We don't see any basis to declare a ceasefire. This is in response to the relentless attacks being waged by government forces against the unarmed civilians and abuse of the peace negotiations.

Gregorio Rosal

We are not saying that none of our fighters are surrendering but with that big number, that is not true.

Gregorio Rosal

The immediate task to lay down the conditions for this is to oust and replace the illegitimate, puppet, thieving, lying and brutal Arroyo government.

FOUNDATION for resuming the PHILIPPINE REVOLUTION

A CELEBRATION

I AM DETERMINED TO RISE

The demons are laughing:
They say I have fallen
But the people's movement
in the whole country is advancing.

The red flag flies high.
Wafted by a powerful wind –
The thought that broadcasts
The seeds of the revolution.

The seeds grow so fast
In the soil made fertile
By the sweat and blood of heroes.
Here victory is certain to be reaped.

It is as if I did not stumble
So long as the cadres and fighters
Continue to arise from the masses.
I am determined to rise.

The devil himself shall weep
Over a kingdom of ash heaps.

The truth behind the CPP front organizations:

....the continuing deception!

"...the national united front, however, is not only for the purpose of armed struggle it is also for legal struggle.... .At any rate, even while there are forces of armed revolution, there are the legal democratic forces in the Philippines. The biggest of these is the BAGONG ALYANSANG MAKABAYAN or BAYAN for short..... It's biggest component organizations are the KILUSANG MAYO UNO which is the labor center, the KILUSANG MAGBUBUKID NG PILIPINAS, GABRIELA WOMEN'S ALLIANCE, LEAGUE OF FILIPINOSTUDENTS, ALLIANCE OF CONCERNED TEACHERS, KADENA and so on....."
